

# Are You Ready?

## We R Ready!

You may not always feel 100% ready, but your child certainly is! And the best news of all, Kids 'R' Kids Learning Academy is ready for your child, too.

We provide the ideal balance of interactive technology and hands-on-learning, paired with a nationally accredited program taught by highly trained teachers. We mix in our proprietary BrainWaves® activities to enhance brain development, our exclusive STEAM Ahead® program for STEM-based learning with elements of science, technology, engineering, art and math, along with heavy doses of kid-focused FUN! We invite you to visit and discover firsthand why Kids 'R' Kids has been a leader in early education for nearly four decades!
